Vavau, of the Friendly Islands.

The discussion providence and ne would have them go.

In reading the Pastor's letter the old saw has suddenly, this new idea. A woman without, and some it is a flower to the same of Catherine of Russia in her licenticusness, now seems to hold the counsel to the strict line of the law, because it The following special instructions have rious. The question suggests itself whether in their views of the social condition now of a world emulate her in tyranny; and with her favorite, General was so clear on other grounds, that Capt. Prendergust The second objection is, that this Company is a legal

corporation, and that therefore ervice on its individual internal affairs and foreign relations of the Friendly Islands. You are, however, at liborty, if appealed to for that purpose, but not otherwise, to advise H.s. Tongese Matigets, or any Chief or officer of the Friendly Islands as to the organisation and conduct Islands as to the org ing as he supposes to the delight of his companions, who nevertheless quietly slip off the stage or affection in relation to any class, sect,

The fominine part of the worthy Pastor almost interest or individual,—are most calculated into a soul to given up outright, anything done so as not to prethat the has been fiddling away with not a soul to worth the tour in the Pyraness, the grousing on the tour in the Pyraness, the grousing for the stage one sould be a sould be sould be a sould be the nonfulfilment thereof our statute provides that it in New Orleans and vicinity. Many vessels a shall not be necessary to serve all the parties such with steamboats were wrecked, houses swept away process, but that service upon one shall authorize the inundation, and nearly three hundred lives rendition of judgment against all. (2nd vol. Stat Last Island was inundate), and every build Laws, r. 50, Sec. 21). Again, even granting that this published in the Polynesian, would, in my opinion, be sufficient to bind such corporation. If not, how else could we reach a corporation whose officers and principal members reside in a foreign state, as in this case. It would seem a strange doctrine to hold that the President of a corporation should be served with process, even although he resides in a fireign country, and yet that a citation through the public newspapers of the country is not sufficient. Such a rule would defeat the

If this were a corporation, I should say it would have | W. A. Lawrence for Governor and Homer For been proper to have served Capt. Spencer, whom the for Lieut. Governor. counsel contend is the legal and acting agent of the ompany, with a copy of the process; but, having held hat it is not a corporation, I do not think such service

But, there is a point in this case, which has been onirely overlooked by the counsel on both sides, and which I think conclusively settles the matter against the application. It is the question of jurisdiction. The 13th Article of the contract between the Government and the Company reads as follows:

Agricus 13. iti-hereby expressly understood and declare d, t at the Supreme Judicial t out of this Ki-pdom -hall new Orleans, ave full power to examine and adjusticate on the fulfilment.

The notorious of the terms and conditions and obligations of this grant by said company, and on having due notice of time and place fixed by said Supreme Judicial 1 ourt for said examination, and on proof satisfactory to said Court that the terms, consitions and obligations have not been complied with, said Court shall have the power at their discretion to abridge or modify

power to examine and adjudicate on the fulfilment of the said company, and to modify the privileges of the said grant' or to declare the same forfeit, and in my opinion, the Chief Justice of said court, sitting alone at cham- was probably an old tree when Columbus disbers, has no power to adjudicate in the matter. The ed the New World .- It stood upon the old power is conferred upon him and his associates in their Estate, now owned by the Hon. J. W. elective capacity, constituting the Supreme Judicial Crowds of citizens are visiting the ruins, and Court, but not upon him alone. The Chief Justice may one bears away a portion of the venerable tree have the power in general cases of hearing and determining such matters at chambers, but, in this case, there is a special contract between the parties which fixes the tribunal to settle their differences.

The bill is dismissed.
